

SITE PLAN TEMPLATE

IDENTIFY:

- Property lines and their measurements.
- **ALL** buildings on the property and their applicable sizes.
- **Proposed building(s)** on the property and applicable size(s).
- Measurements/distances (in feet) **from** the property lines **to** all structures.
- Measurements/distances (in feet) **between ALL** structures.
- Road/streets
- Directional signage (eg. north symbol)

***Note** this site plan does not need to be to scale, but shall be accurate. Failure to submit a detailed site plan will leave EIPD no other option but to request a Building Location Certificate from a Certified MB Land Surveyor at your expense.*

See attached sample.

I hereby verify that the information provided is true and accurate and comply with the applicable Zoning By-Law regulations.
