THE ZONING MAP		

1.0 Title and Contents

1.1 Title

This By-law may be cited as the Town of Winnipeg Beach Zoning By-law.

1.2 Intent and Purpose

The regulations established by this By-law are deemed necessary in order:

- 1) To implement the objectives and policies of the *Eastern Interlake Planning District Development Plan*.
- 2) To outline the powers and duties of Council, the Development Officer and the landowner and/or developer as they relate to this By-law.
- 3) To regulate the following:
 - a) all buildings and structures erected hereafter;
 - b) all uses or changes in use of all buildings, structures and land established hereafter;
 - c) all structural alterations or relocations of existing buildings and structures occurring hereafter; and
 - d) all enlargements or additions to existing buildings, structures and uses.

1.3 Contents of the By-law

The contents of this By-law include:

- 1) Section 1.0 to Section 7.0, outlines the Operative and Interpretive Clauses.
- 2) Section 8.0 to Section 20.0, outlines all of the Zone clauses.
- 3) Section 21.0 to Section 56.0, outlines General Administrative Clauses, General Development Regulations and Special Land Use Regulations.
- 4) The last page of the Zoning By-Law is the Zoning Map.

1.4 Headings and Titles

Notwithstanding any other regulation of this By-law or any other By-law passed by Council to the contrary, headings and titles within this By-law shall be deemed to form a part of the text of this By-law.

1.5 Minimum Regulations

In their interpretation and application, the regulations of this By-law shall be held to be the minimum regulations to satisfy the intent and purpose as set forth herein.

1.6 Units of Measurement

This By-law contains imperial measurements.

1.7 Effective Date

This By-law shall be in full force and effect when it is given Third Reading by the Council of the Town of Winnipeg Beach.

1.8 Control of Development

No development, other than that designated in Section 25.1, shall be undertaken in the Municipality unless an application has been approved and the development permit has been issued.

1.9 Relationship to Former By-law

The adoption of this By-law shall not prevent any pending or future legal action to deal with any existing zoning violations.

1.10 Interpretation

The regulations of this By-law shall be interpreted to be the minimum regulations except where the abbreviation for, or word, *maximum* is used, in which case the maximum regulation shall apply.

1.11 Validity

Should any section or part of a section of this By-law be declared invalid by a court of competent jurisdiction, the same shall not affect regulations of the By-law as a whole or any part thereof beyond that which is declared invalid.

2.0 Non-Conforming Buildings, Structures, Lots and Uses

- 1) When on or before the day on which this By-law or any By-law for the amendment of it comes into force, a development permit has been issued, and the enactment of the By-law would render the development in respect of which the permit was issued a non-conforming building, structure, lot, or use, the development permit continues in effect notwithstanding the enactment of the By-law.
- 2) Any lawful building or structure which does not conform to one or more of the applicable yard regulations of the Zone in which it is located, either on the effective date of this By-law or amendments thereto, shall be deemed to be a permitted building or structure and shall be used as if it conformed to all such regulations, in accordance with Section 2.0(5) hereof.
- 3) Any legal existing lot which does not conform to the minimum site area, site width, front yard or access regulations hereof for the Zone where it is located, shall be deemed to be a permitted lot and shall be used as if it conformed to all such regulations, in accordance with Section 2.0(5) hereof.
- 4) Any lawful use of a building, structure or lot, or portion thereof, which does not conform to one or more of the applicable use regulations of the Zone in which it is located, either on the effective date of this By-law or amendments thereto, shall be deemed to be a permitted use and shall be used as if it conformed to all such regulations, in accordance with Section 2.0(5) hereof.
- 5) A non-conforming use of land or a non-conforming use of a building may be continued, but if that use is discontinued for a period of twelve consecutive months or more, any future use of the land or building shall conform to the regulations of this By-law.
- 6) A non-conforming use of part of a lot shall not be extended or transferred in whole or in part to any other part of the lot and no additional buildings shall be erected upon the lot while the non-conforming use continues.
- 7) A non-conforming use of part of a building may be extended throughout the building. But the building, whether or not it is a non-conforming building shall not be enlarged, added to, or structurally altered if the line of non-conformity is increased.
- 8) A non-conforming building may continue to be used, but the building shall not be enlarged, added to, rebuilt or structurally altered unless:
 - a) the line of non-conformity is not increased; or
 - b) it may be necessary to make it a conforming building; or

- c) as the Development Officer considers necessary for the routine maintenance of the building.
- 9) Where a building or structure that does not conform to the regulations of this By-law or amendments thereto is destroyed or damaged to an extent that in the opinion of Council, is 50% or more of the replacement value of the building or structure above its foundation, the building or structure shall not be repaired or rebuilt except in conformity with the regulations of this By-law.
- 10) The use of land or the use of a building is not affected by change of ownership, tenancy or occupancy of the land or building.
- 11) Notwithstanding Section 2.0(1) to Section 2.0(10), as per the *Act* a non-conformity may be altered by way of variation order by Council.

3.0 The Zoning Map

The Zoning Map is Part VI of this By-law. It divides the Town of Winnipeg Beach into Zones and specifies regulations applying to particular lands.

3.1 Zone Boundaries

Should uncertainty or dispute arise relative to the precise location of the boundary of any Zone, as depicted on the Zoning Map, the location shall be determined by the following:

- 1) Where a Zone boundary is shown as approximately following the centre of streets, lanes or other public thoroughfares, it shall be deemed to follow the centre line thereof.
- 2) Where a Zone boundary is shown as approximately following the boundary of a site, the site boundary shall be deemed to be the boundary of the Zone for that portion of the Zone boundary which approximates the site boundary.
- 3) Where a Zone boundary is shown approximately following municipal limits, it shall be deemed to be following municipal limits.
- 4) Where a Zone boundary is shown as approximately following the centre of pipelines, railway lines, or utility easements, it shall be deemed to follow the centre line of the right-of-way thereof.
- 5) Where a Zone boundary is shown as being parallel to or as an extension of features noted above, it shall be so construed.
- 6) Where features on the ground are at variance with those shown on the Zoning Map or in other circumstances not mentioned above, the Development Officer shall interpret the Zone boundaries. Any such decision may be appealed to Council.
- 7) Where a Zone boundary is not located in conformity to the regulations of Section 3.1(1) to Section 3.1(6), and in effect divides or splits a registered parcel of land, the disposition of such boundary shall be determined by dimensions indicated on the Zoning Map or by measurements directly scaled from that Map.

3.2 Right-of Way Boundaries

- 1) Notwithstanding anything contained in this By-law, no Zone shall be deemed to apply to any public roadway and any public roadway may be designed, constructed, widened, altered, redesigned and maintained in such manner as may be determined by Council and Manitoba Infrastructure and Transportation, where applicable.

Sections 1 – 7: Operative and Interpretive Clauses

- 2) Where any public roadway is closed pursuant to the regulations of *The Municipal Act*, as amended, the land contained therein shall there upon be deemed to carry the same Zone as the abutting land.
- 3) Notwithstanding Section 3.2(2), where such abutting lands are governed by different Zones, the centre line of the public right-of-way shall be deemed to be the Zone boundary.

4.0 Approval Required for Development

No person:

- 1) shall commence, or cause or allow to be commenced, a development without a development permit which has been issued under the regulations of this By-law; or
- 2) shall carry on, or cause or allow to be carried on a development without a development permit which has been issued under the regulations of this By-law.

5.0 Other Legislation

5.1 Compliance

- 1) A person applying for, or in possession of, a valid development permit is not relieved from full responsibility for ascertaining and complying with or carrying out development in accordance with:
 - a) the regulations of the *Manitoba Building Code* and the *National Building Code*;
 - b) the *Eastern Interlake Planning District Development Plan*;
 - c) the *Town of Winnipeg Beach Building By-law*;
 - d) any other appropriate federal, provincial or municipal legislation; and
 - e) the conditions of any caveat, covenant, site plan, development agreement, variance or conditional use order, easement or other instrument affecting a building or land.
- 2) Whenever regulations contained in any appropriate federal, provincial or municipal legislation impose overlapping regulations, laws or policies over the use of land, buildings or structures, or contain any restrictions covering any of the same subject matter contained herein, the most restrictive or highest standard shall apply.
- 3) Whenever the regulations of a special agreement or development agreement entered into between the Town of Winnipeg Beach and a developer impose overlapping regulations over the use of land, buildings or structures, or contain any restrictions covering any of the same subject matter contained in this By-law, the most restrictive or highest standard shall govern.
- 4) The Province of Manitoba and the Government of Canada are not bound or restricted by any regulation of this By-law. The said governments are encouraged, however, to permit only those developments that are consistent with the regulations of this By-law.

5.2 Public Utilities and Services

- 1) Nothing in this By-law shall be so interpreted as to interfere with the construction, maintenance and operation of the facilities of any public utility or protective and emergency service, as defined in this By-law.

20.6 Additional Regulations for Conditional Uses Only

- 1) A Home Occupation shall be developed in accordance with Section 52.0 of this By-law.
- 2) Notwithstanding the regulations of this Section, the development of new Dwellings as well as the subdivision of land to create additional lots for new Dwellings shall be limited to the area south of Kernstead Road and west of Churchill Road. Within the remaining RD Zone area, no new or additional development or subdivision of land for new Dwellings shall be allowed.
- 3) Existing dwellings are recognized as permitted uses and, subject to zoning regulations and building codes, may be structurally altered, increased in size or rebuilt or replaced with a new structure. Intensification of the use of an existing single-family dwelling to a two-family dwelling or multi-family dwelling will not be permitted.
- 4) All Conditional Use applications shall be referred to those Provincial departments deemed appropriate by the Development Officer, in consultation with Council and Manitoba Local Government, to obtain comments on the said application.

21.0 Authority and Responsibility of the Development Officer

21.1 Establishment and Appointment

- 1) The Development Officer shall be any person appointed by Council to occupy the position of Development Officer.

21.2 Development Officer Duties and Responsibilities

- 1) The Development Officer:
 - a) shall review each development permit application to ascertain whether it conforms to the adopted Development Plan and amendments thereto, all applicable regulations of this By-law and amendments thereto, and other Municipal By-laws, the conditions of any caveat, covenant, site plan, development agreement, variation or conditional use order, easement or any other instrument affecting a building or land;
 - b) may refer a development permit application to any Municipal, Provincial or Federal department or any other agency or body, deemed appropriate to obtain comments on the application;
 - c) shall approve, with or without any conditions as are required to ensure compliance, a development permit application provided it complies with the regulations of this By-law, or shall refuse a development permit application if the development does not comply with the regulations of this By-law pursuant to Section 21.3 of this By-law;
 - d) shall refuse to issue a development permit where the proposed building, structure or use does not comply with the *Town of Winnipeg Beach Building By-law*;
 - e) may give notice of his/her decision on applications for development as follows:
 - i) where an application has been approved notice to the applicant may be given in writing by ordinary mail; or
 - ii) where an application has been refused, notice in writing may be given to the applicant, by ordinary mail, and such notice shall state the reason for refusal;
 - f) shall, in the case of a development permit for a temporary sign or portable sign, specify the length of time that the permit remains in effect;
 - g) shall receive, review and process variation and conditional use order applications and amendments to this By-law; and
 - h) shall perform other such duties as described or implied elsewhere in this By-law or required by Council.
- 2) A person who is unsatisfied with a decision or order of the Development Officer may request Council to review the decision or order by written notice within 14 days after the person receives the decision or order.
- 3) After giving the person a reasonable opportunity to be heard, Council may confirm, vary, substitute or cancel the order or decision.

21.3 Variance to Regulations

- 1) The Development Officer may approve, with or without conditions, a minor variation not to exceed 10% of the regulations of this By-law governing front, side, rear or any other yard regulations.

21.4 Public Inspection of Applications

- 1) The Development Officer shall ensure that a Register of Applications is maintained, and is made available to any interested person during normal office hours.

21.5 Maintenance and Inspection of By-law

- 1) The Development Officer shall:
 - a) make available to the public during normal office hours copies of this By-law and all subsequent amendments thereto; and
 - b) charge the specified fee for supplying to the public copies of this By-law.

22.0 Responsibilities of Council

- 1) Subject to the provisions of the *Act*, the Council is responsible for:
 - a) the enactment of this By-law;
 - b) administering and enforcing those provisions of the *Act*, where applicable;
 - c) considering the adoption or rejection of proposed amendments or the repeal of this By-law;
 - d) approving or rejecting variance order applications; and
 - e) approving or rejecting conditional use applications and may revoke the authorized conditional use for any violation of any conditions imposed by it.

23.0 Duties of the Owner

- 1) Neither the granting of a development permit nor the approval of the drawings and specifications or the inspections made by the Development Officer shall in any way relieve the owner of the responsibility of complying with the regulations of this By-law or of any relevant By-laws of the Town of Winnipeg Beach.
- 2) Every owner shall:
 - a) permit the Development Officer to enter any building or premises for the purpose of administering or enforcing this By-law at all reasonable times and with the consent of the owner in accordance with Sections 84 and 85 of the *Act*;
 - b) after the development application has been approved and the permit issued, notify the Development Officer and obtain his/her approval before doing any work at variance with the approved documents filed; and
 - c) be responsible for obtaining, where applicable, from the appropriate authorities, permits or licenses relating to the buildings, grades, sewers or water supply systems, plumbing, signs, blasting, street, occupancy, electrical, highways, and all other permits required in connection with the proposed work.

24.0 Development Permit Application Submissions

24.1 General Conditions

- 1) An application for a development permit shall not be considered to have been received until the applicant has submitted all information required pursuant to Sections 25.0 and 26.0 of this By-law, and any information specifically required pursuant to the regulations of the applicable Zone or any other Section of this By-law and until the applicant has paid the appropriate fee.
- 2) Notwithstanding Section 24.1(1), the Development Officer may consider an application, if the development is of such a nature as to enable a decision to be made on the application without all of the information required in this Section.

- 3) The Development Officer may require an applicant to submit such additional information as he/she considers necessary to verify the compliance of the proposed use or development with the regulations of this By-law.
- 4) A development permit for an accessory building cannot be issued unless a development permit for the main building has also been issued.
- 5) The approval of any application, drawings, or the issuing of a development permit shall not prevent the Development Officer from thereafter requiring the correction of errors, nor from prohibiting the development being carried out when the same is in violation of this By-law.
- 6) Where an application for a development permit is determined to contain incorrect information, no development permit shall be issued until such information is corrected by the applicant.
- 7) Any development permit issued on the basis of incorrect information contained in the application shall be invalid.
- 8) Unless otherwise specified in this By-law, all drawings submitted shall be drawn on substantial standard drafting material to a scale of not less than 1:100 or such other scale as the Development Officer may approve, and shall be fully dimensioned, accurately figured, explicit and complete.

25.0 Development Regulations

25.1 No Development Permit Required:

- 1) No development permit is required under this By-law for the developments listed below, provided that such developments shall comply with the regulations of this By-law. Developments exempted from applications are as follows:
 - a) regular maintenance and repair of any development, provided it does not include structural alterations;
 - b) private driveways and patios which are accessory to a development;
 - c) a fence, wall, or gate not exceeding 6 ft. in height;
 - d) an accessory building that:
 - i) is 120 sq. ft. or less in area;
 - ii) does not exceed 15 ft. or one storey in height; and
 - iii) is not considered a hazard by the Development Officer;
 - e) the erection or placement of a temporary building or sign, the sole purpose of which is incidental to the erection of a building for which a development permit has been granted, provided the temporary building or sign is removed within thirty days of substantial completion or as determined by the Development Officer;
 - f) demolition of a development only where a development permit has been issued for a new development on the same site, and the demolition of the existing development is explicit or implicit in that permit;
 - g) the following types of signs are exempt but this shall not relieve the owner or person in control of such signs from erecting and maintaining the signs in a safe and good condition:
 - i) signs less than 6.5 sq. ft. in area, advertising the sale, lease, or rent of property, premises, or buildings on that site;
 - ii) memorial signs or tablets of bronze, brass, stone or other non-combustible materials when built into or attached to the walls of a building or other structure provided such tablets bear only the name of

- the owner, the name and use of the building, the date of erection of the building or reading matter commemorating a person or event;
- iii) signs of a duly constituted governmental body, including traffic or regulating devices, legal notices, railway crossing, danger or other emergency signs;
- iv) one real estate sign; and
- v) non-illuminated directional signs, each sign not to exceed 5.38 sq. ft. in sign area.

25.2 Permitted Use Developments, Excluding Signs:

- 1) The following information shall be submitted with an application for Permitted Use Developments, and the appropriate application form fully and accurately completed in accordance with the following regulations:
 - a) the municipal address of land and buildings presently occupying the site, if any;
 - b) a Report on Title;
 - c) a legal description of the land on which the proposed development is to occur, by lot, block, subdivision and registered plan numbers;
 - d) the applicant's name, address and interest in the land;
 - e) description of the work to be performed with respect to:
 - i) change in current occupancy of land use; or
 - ii) description of proposed development or building operations;
 - f) identification of the scale of the development with respect to:
 - i) gross floor area of the development;
 - ii) area of the site covered;
 - iii) height of the structure;
 - iv) number of floors or storeys;
 - g) the estimated contract value, in dollars, of the proposed work;
 - h) a site plan, at a minimum scale of 1:500, showing the following:
 - i) a directional true north arrow with the north point located in such a manner that the true north is in the upper position of the drawings;
 - ii) setbacks and yard dimensions;
 - iii) the location of all existing and proposed new buildings or structures in relation to property lines; and
 - iv) dimensioned layout of existing and proposed parking areas, driveways, entrances and exits, abutting public roadways, median breaks and auxiliary lanes;
 - i) identification of the scale of the development with respect to the number of dwellings, or establishments for commercial, industrial or other purposes;
 - j) if required by the Development Officer, a site plan at a minimum scale of 1:500, showing:
 - i) the location of sidewalks and walkways; where applicable, parking, loading, storage, outdoor service and display areas; and
 - ii) the location of fences, screening, retaining walls, trees, landscaping, and other physical features both existing and proposed in the site and adjoining boulevard, if any;
 - k) floor plans at minimum scale of 1:100, indicating all uses or occupancies, storage and garbage holding areas;
 - l) elevations and drawings, indicating sections and the bulk of buildings, at a minimum scale of 1:100;
 - m) number of parking and loading spaces required and provided; and
 - n) a building location certificate.

25.3 Sign Developments

- 1) The following information shall be submitted, in duplicate, with an application for a Sign Development, and the appropriate application form shall be fully and accurately completed:
 - a) the municipal address and legal description of the land or building where the sign is to be erected;
 - b) the applicant's name, address, telephone number and interest in the land;
 - c) the name of the business or development where the sign is to be erected;
 - d) if the development where this sign is to be erected is a single business occupancy or multiple business occupancy development;
 - e) a letter from the owner of the property on which the sign is to be erected, or his/her agent, authorizing the applicant's sign development;
 - f) two sets of working drawings for the proposed sign showing:
 - i) the overall dimensions of the sign, including all sign boxes and cabinets;
 - ii) a description or illustration of the copy to be displayed on the sign;
 - iii) the method of illumination, if any;
 - iv) the materials from which the sign is to be constructed;
 - v) method used to support the sign and the type of wall construction if the sign is anchored to a building;
 - g) two sets of a sketch/site plan showing:
 - i) the location of the sign on the building;
 - ii) the clearance from grade from the lowest portion of the sign;
 - iii) maximum extension of the sign above the building roof or parapet wall;
 - iv) the distance of the maximum projection of the sign beyond the building wall; and
 - v) any sidewalks, pedestrian passageways, or public roadways that the proposed sign will extend over.

26.0 Special Information Regulations

26.1 Slope and Soil Information

- 1) When an application for a development permit is submitted to the Development Officer for the development of a site abutting a water course and Municipal drain, the Development Officer may require, in consultation with the Municipal Engineer, information regarding the existing and proposed grades at 1.64 ft. contour intervals. The final grades shall be to the satisfaction of the Town.
- 2) Notwithstanding anything contained herein, the Development Officer may require a detailed engineering study of the soil conditions prepared by a Certified Professional Engineer of Manitoba prior to the issuance of a development permit or the construction of any development abutting a water course and Municipal drain. The engineering study shall contain evidence of:
 - a) test borings;
 - b) ground water piezometer test;
 - c) slope indicators where necessary;
 - d) identification of any sub-surface mining operations; and
 - e) surface erosion analysis.

The detailed engineering study shall conclude by the registered Professional Engineer certifying that the foundations proposed for the development were designed with full knowledge of the soil conditions and the proposed siting of the development upon this site.

- 3) The Development Officer may require the submission of a detailed engineering study as outlined in Section 26.1(2) of this By-law prior to the issuance of a Development Permit at any location within the Town of Winnipeg Beach which in the opinion of the Municipal Engineer has unstable soil conditions.
- 4) The Development Officer, having required a detailed engineering study of the soil conditions may, acting on the advice of the Municipal Engineer, apply conditions to the approval of the development permit to prevent erosion and to stabilize soil conditions.

27.0 Conditions Attached to a Development Permit

- 1) The Development Officer may impose, with respect to a Permitted Use, such conditions as are required to ensure compliance with this By-law.
- 2) Council may, with respect to a Conditional Use, impose such conditions as deemed appropriate, having regard to the regulations of this By-law, other Municipal regulations, and matters raised at the Conditional Use Hearing.
- 3) The Development Officer or Council may, as a condition of issuing a development permit, require the applicant to make satisfactory arrangements for the supply of water, electric power, sewer service, vehicular and pedestrian access, or any of the aforementioned, including payment of the costs of installation or constructing any such utility or facility by the applicant.
- 4) The Development Officer or Council may, as a condition of issuing a development permit require that an applicant enter into an agreement or an interim agreement, which shall be attached to and form part of such development permit, to do all or any of the following:
 - a) to construct, or pay for the construction of, a public roadway required to give access to the development;
 - b) to specify the location and number of vehicular and pedestrian access points to sites from public roadways;
 - c) to install, or pay for the installation of, utilities that are necessary to serve the development, or pay the recovery costs of services which have already been installed;
 - d) to pay any sewer or water costs; and
 - e) to repair or reinstate, or to pay for the repair or reinstatement, to original condition, any street furniture, curbing, sidewalk, boulevard landscaping and tree planting which may be damaged or destroyed or otherwise harmed by development or building operations upon the site.
- 5) The Development Officer or Council may require any agreement entered into pursuant to Section 27.0(4) to be caveated against the title to the site at the Land Titles Office.

28.0 Enforcement and Penalties

28.1 Offenses

- 1) Any owner, lessee, tenant or occupant of land, or a building or a structure thereon, who, with respect to such land, building or structure:
 - a) contravenes; or
 - b) causes, suffers or permits a contravention of, any provision of the *Act*, a development permit, a development agreement or this By-law;commits an offense.

- 2) Any contractor, worker, or other person who constructs a building or structure, or makes an addition or alteration thereto;
 - a) for which a development permit is required but has not been issued or is not subsisting under this By-law; or
 - b) in contravention of a condition of a development permit issued under this By-law;commits an offense.

28.2 Penalties

- 1) Fines and penalties will be imposed in accordance with the *Planning Act*.

28.3 Suspension or Revocation of the Development Permit

- 1) The Development Officer may suspend or revoke a development permit where:
 - a) the applicant fails to comply with the conditions of issuance of a permit; or
 - b) any person undertakes or causes or permits any development on a site contrary to the terms or conditions of a permit.
- 2) Any person who undertakes, or causes or permits, any development on a site without a permit, or after a permit has been suspended or revoked, shall discontinue such development forthwith upon notice in writing issued by the Development Officer so requiring, and shall not resume such development unless a permit has been issued or the permit reinstated.

29.0 Rezoning Amendments

29.1 Text Amendments

- 1) Any person applying to amend this By-law shall apply in writing to the Development Officer, furnishing reasons in support of the application and requesting that the Development Officer submit the application to Council.
- 2) If a person applies to the Council in any manner for an amendment to Parts I - VI of this Zoning By-law, the Council shall require him/her to submit his/her application to the Development Officer in accordance with the provisions of this Section before it considers the amendment proposed by such person.

29.2 Rezoning Applications

- 1) Any person applying to amend Part II of this By-law to change the Zone governing any land shall apply in writing to the Development Officer and submit the following to the Development Officer:
 - a) a Report on Title which has been issued not later than thirty days prior to the receipt of the amendment application by the Development Officer;
 - b) the applicant's name, signature, address and interest in the property;
 - c) a signed statement by the applicant stating that he/she is willing to pay for all costs incurred by the Town of Winnipeg Beach in processing the proposed amendment, whether it be enacted or not, including, but not limited to, all mapping, printing, reproduction, planning, engineering, surveys and advertising costs;
 - d) the appropriate application fee; and
 - e) a brief written statement by the applicant in support of his/her application, and his/her reasons for applying.

29.3 Review and Processing of Amendments

- 1) Upon receipt of an application for a rezoning amendment, the Development Officer shall forward the application to Council for review.
- 2) If Council deems it appropriate to give the application first reading, the Development Officer shall then examine the proposed amendment or undertake an investigation and analysis of the potential impacts of development under the proposed Zone. The analysis shall be based upon the full development potential of the uses and development regulations specified in the proposed Zone and not on the merits of any particular development proposal. The analysis shall, among other things, consider the following impact criteria:
 - a) relationship to and compliance with *Eastern Interlake Planning District Development Plan* and Council policy;
 - b) compatibility with surrounding development in terms of land use function and scale of development;
 - c) traffic impacts;
 - d) relationship to, or impacts on, services such as water and sewage systems, and other utilities and public facilities such as recreational facilities and schools;
 - e) relationship to municipal land, right-of-way or easement requirements;
 - f) effect on stability, retention and rehabilitation of desirable existing uses, buildings, or both in the area;
 - g) necessity and appropriateness of the proposed Zone in view of the stated intentions of the applicant; and
 - h) relationship to the documented concerns and opinions of area residents regarding the application.
- 3) The Development Officer shall prepare a written report on the proposed amendment and advise the applicant of the hearing date.
- 4) The Development Officer may present for the consideration of Council any proposed amendment to this By-law, and the proposed amendment shall be accompanied by the report and recommendation of the Development Officer.
- 5) Council may initiate any amendment to this By-law, and prior to the approval of any amendment, Council may refer the proposal to the Development Officer for his/her report and recommendation.
- 6) Every rezoning application shall be accompanied by the required fee as set out by the Eastern Interlake Planning District.
- 7) When a Development and/or Zoning Agreement is to be entered into between the Town of Winnipeg Beach and the applicant, the applicant shall pay to the Town of Winnipeg Beach, in addition to any other fee required pursuant to this or any other By-law, a Development and/or Zoning Agreement fee.

29.4 Notification of Amendments

- 1) Prior to consideration by Council of a proposed rezoning amendment, the Development Officer shall place a notice in compliance with the *Act*.

30.0 Subdivisions

- 1) Notwithstanding Sections 31.0 and 32.0 of this By-law, no parcel of land shall hereafter be divided into sites, unless each site conforms to the regulations of the Zone in which

the site is located.

- 2) An existing undersized lot may be increased in area or frontage, or both, and still remain an existing undersized lot if after the increase the lot still remains undersized.
- 3) In addition to the regulations contained herein, all subdivisions shall conform to the *Eastern Interlake Planning District Development Plan*, and the provisions of the *Act*, where applicable.

31.0 Conditional Uses

- 1) An owner or his/her agent may file an application to use land for a use listed as a Conditional Use in this By-law.
- 2) An application for approval of a Conditional Use shall be filed with the Development Officer and shall be in such form and accompanied by such information and fees as determined by Council.
- 3) Council shall request the Development Officer to prepare a written report that identifies potential impacts. This includes how the proposed use may impact the general character of the area, overall safety and general welfare, Municipal services, vehicle and pedestrian circulation, and financial implications.
- 4) Prior to the consideration by Council of a proposed Conditional Use application, the Development Officer shall place a notice in compliance with the *Act*.
- 5) An application for a Conditional Use shall be processed and approved or rejected in accordance with the *Act*. If warranted, Council may want to consider imposing conditions to ensure that the proposed development will not significantly impact the community. This could include:
 - a) buffering measures such as berms and fencing;
 - b) performance standards dealing with such potential impacts as noise, odour and vibration;
 - c) limiting the hours of operation;
 - d) imposing design and siting regulations including landscaping, outdoor lighting, refuse and storage areas, and building design and architectural appearance; and
 - e) requiring the applicant to upgrade certain Municipal services.
- 6) The approval of Council shall expire and cease to have any effect if it is not acted upon within twelve months of the date of the decision, unless it is renewed before the expiry date at the discretion of Council for an additional period not exceeding twelve months.

32.0 Variation Orders

- 1) Any person who is of the opinion that this By-law injuriously or adversely affects him/her or his/her property rights, may at any time apply for a Variation Order, in accordance with the provisions of the *Act*.
- 2) An application for a Variation Order shall be filed with the Development Officer, and shall be in such form and accompanied by such information and fees as determined by the Development Officer or Council.
- 3) Prior to the consideration by Council of a proposed Variation Order application, the Development Officer shall place a notice in compliance with the *Act*.

Sections 21 – 32: General Administrative Clauses

- 4) An application for a Variation Order shall be processed and approved or rejected in accordance with the provisions of the *Act*. Council shall request the Development Officer to prepare a written report that assesses the merits and implications of the proposed application.
- 5) The approval of Council shall expire and cease to have any effect if it is not acted upon within twelve months of the date of the decision, unless it is renewed at the discretion of Council for an additional period not exceeding twelve months.

33.0 Applicability

General Development Regulations apply to any development on any site, irrespective of the Zone in which it is located.

34.0 Yards on Corner Lots and Through Lots in Residential Zones

- 1) In the case of a Corner Lot, the Front Yard shall be the Yard abutting the Front Lot Line
- 2) Notwithstanding Section 34.0(1), the Development Officer may require any Corner Lot to provide an additional Front Yard or Yards other than that required, having regard to the orientation and access of any development, and the Front Yard regulations of adjacent properties.
- 3) The Development Officer may require any Through Lot to provide a Front Yard on each public roadway, other than a lane, in accordance with the Front Yard regulations of the Zone in which the site is located, provided that at least one Front Yard shall be provided.

35.0 Projection into Yards

Except as herein provided, every part of a required yard shall be open and unobstructed from the ground level to the sky, save for trees, shrubs, gardens, fences, and driveways:

- 1) Eaves, chimneys, cornices and ornamental or decorative features on a **main structure** may extend or project into a:
 - a) Required side yard not more than six (6) inches for each one (1) foot of width of such side yards provided the width of such side yard is not reduced to less than two feet (2 feet).
 - b) Required front or rear yard not more than five (5) feet.
- 2) Eaves, chimneys, cornices and ornamental or decorative features on a **detached accessory structure or building** may extend or project into a:

 - b) Required front or rear yard not more than six (6) inches for each one (1) foot of depth of such front or rear yard provided the depth of such yard is not reduced to less than eighteen (18) inches.
- 3) An open, unenclosed and uncovered porch, a paved terrace or a deck (excluding fixed canopies) may project into a:
 - a) required front yard for a distance not exceeding eight (8) feet;
 - b) required rear yard for a distance not exceeding twelve (12) feet;
 - c) required side yard provided that the required side yard is not reduced to less than three (3) feet;
 - d) required corner side yard provided that the required corner side yard is not reduced to less than eight (8) feet.
- 4) An open, unenclosed stairway or balcony, not covered by a roof or canopy, may project into a required rear yard not more than four (4) feet, and such balconies may extend into the required front yard not more than three (3) feet;
- 5) Free standing decorative or ornamental driveway entrance dividers (including light features) shall maintain a minimum front, side and rear yard of five (5) feet and a height not exceeding four (4) feet and shall not be located in such a manner as to materially impede the view of any street or highway;

Sections 33 – 50: General Development Regulations

- 6) Name plates and signs as permitted and regulated in this By-law shall be allowed in any required front, side, or rear yard; and
- 7) In the Commercial Zones: Awnings, marquees, roof overhangs, and canopies which are attached to a building may project up to eight (8) feet into a required front or side yard and may project beyond a front or corner side site line a maximum of eighteen (18) inches. Any awnings, marquees, roof overhangs, and canopies which project beyond eighteen (18) inches must be at least nine (9) feet above grade and will require a resolution of Council. Canopies and other like structures, which are not attached to a building, shall be considered as buildings/structures for the purposes of yard, height and coverage requirements.

36.0 Objects Prohibited or Restricted

- 1) No person shall keep in any part of a site in any Residential Zone:
 - a) any commercial vehicle, loaded or unloaded, of a maximum weight exceeding 6,804.00 kg. (15,000.00 lb.) gross vehicle weight;
 - b) any dismantled or wrecked vehicle for more than fourteen consecutive days unless otherwise authorized under the *Derelict Vehicle By-law*; or
 - c) any object or chattel which, in the opinion of the Development Officer or Council, is unsightly or tends to adversely affect the amenities of the area.
 - d) any above-ground or below-ground bulk fuel storage tanks.
- 2) No person shall keep in any Zone:
 - a) travel trailers and associated camping amenities in any part of a site that does not contain a principal building.

37.0 Fences

37.1 Residential Zones

- 1) A fence on a Residential property:
 - a) shall not include electric fences or barbed wire fences;
 - b) shall not be higher than:
 - i) 4 ft. in a required Front Yard; and
 - ii) 6 ft. in a required Side or Rear Yard.
- 2) Measurement is taken from finished grade to the highest portion of the fence, excluding fence posts, which can project a maximum of 6 inches.
- 3) Notwithstanding Section 37.1(1) of this By-law, the height of a fence can be increased or decreased at the discretion of the Development Officer to account for the grade of surrounding properties.

37.2 All Other Zones

- 1) A fence in all other Zones:
 - a) shall not include electric fences or barbed wire fences;
 - b) shall not be higher than:
 - iii) 4 ft. in a required Front Yard; and
 - iv) 6 ft. in a required Side or Rear Yard.

- 2) Notwithstanding Section 37.2(1) b) of this By-law, the maximum height of a fence located on a public or private education service site, public utility or utility service site or public park shall be 10 ft.
- 3) Notwithstanding Section 37.2(1) of this By-law, in any Industrial Zone:
 - a) the maximum height of a fence located in a Rear Yard shall be 8 ft.; and
 - b) outside storage shall not be allowed to project above the height a fence.
- 4) Notwithstanding Section 37.2(1) to Section 37.2(3) of this By-law, the height of a fence can be increased or decreased at the discretion of the Development Officer to account for the grade of surrounding properties.

38.0 Accessory Uses and Buildings

38.1 Accessory Uses and Buildings: General Regulations

- 1) Accessory developments are permitted when accessory to a permitted use.
- 2) Accessory developments are conditional when accessory to a conditional use.
- 3) Where any building or structure on a site is attached to a principal building on the site by a roof, an open or enclosed structure above grade, a floor or a foundation which is above grade, or any structure below grade allowing access between the buildings such as a parking garage or a corridor or passageway connecting the buildings, it is at the discretion of the Development Officer whether this building or structure should be classified as part of the principal building or an accessory building.
- 4) No accessory building or structure shall be constructed on any site prior to the time of construction of the principal building to which it is accessory.
- 5) Accessory buildings or structures may contain plumbing subject to appropriate utility connections to the primary building. (BL 14-2015)

38.2 Accessory Buildings in Non-Residential Zones

- 1) Accessory buildings in non-Residential Zones shall be subject to the regulations for that Zone.
- 2) Notwithstanding Section 38.2(1), the maximum height of an accessory building or structure on a site which abuts a site in a Residential Zone shall not be greater than the height of principal buildings permitted in the abutting Residential Zone.

38.3 Accessory Buildings in Residential Zones

In a Residential Zone:

- 1) An accessory building or structure shall not be used as a Dwelling.
- 2) Accessory Buildings and Structures shall be located on a site as follows:
 - a) where the accessory building is attached to a main building, it shall be subject to, and shall conform to, all regulations of this By-law applicable to the main building; and
 - b) where the accessory building is detached from the main building, it shall not be located closer than the front wall of the main building, this provision excludes lakefront properties.

38.4 Temporary Buildings and Uses

- 1) A development permit for a temporary building, structure or use shall be subject to such terms and conditions as required by Council or the Development Officer.
- 2) Each development permit issued for a temporary building, structure or use shall be valid for a period of not more than six months and may not be renewed for more than one successive period at the same location.
- 3) In all cases, temporary buildings and structures shall not exceed 1,000 sq. ft. in area and one storey or 15 ft. in height, and:
 - a) may be used as an office space for the contractor or developer;
 - b) shall not be used for human habitation, except as temporary accommodation for a caretaker, watchman or construction workers; and
 - c) shall not be detrimental to the public health, safety, convenience and general welfare, nor detract from the aesthetic value of the neighbourhood.

39.0 Lighting of Sites

- 1) Outdoor lighting for any development:
 - a) shall be low-glare in nature and located and arranged so that no direct rays of light are directed at any adjoining properties, or interfere with the effectiveness of any traffic control devices; and
 - b) if ground mounted, the maximum height shall be 20 ft.

40.0 Height of Buildings and Structures

- 1) In determining whether a development conforms to the maximum height permissible in any Zone, the following features shall not be considered for the purpose of height determination: chimney stacks, steeples, belfries, domes or spires, monuments, elevator housings, roof stairway entrances, water or other tanks, ventilating equipment, skylights, fire walls, receiving or transmitting structures, masts, flag poles, clearance markers or other erections which are considered to be similar by the Development Officer.

41.0 Access to Sites

- 1) All Municipal access locations and curb crossings shall require the approval from Council with consultation of the Municipal Engineer. A permit from the Department of Infrastructure and Transportation will be required for direct access to PTH No. 9, PR No. 229, PR No. 232 and the Winnipeg Beach Provincial Access Road from PTH No. 9 to PR No. 232.
- 2) No person shall construct a driveway for motor vehicles from a site to a public roadway, if the public roadway, in the opinion of the Municipal Engineer, carries or will carry a heavy traffic volume or such driveway would create an unnecessary traffic hazard, unless there is no other practical method of vehicular access to the site and a turning space is provided on the site connected to the driveway so that every motor vehicle leaving the site by the driveway will face the public roadway which the driveway enters.

42.0 Landscaping

42.1 Landscaping in Commercial, Industrial, Institutional and Multiple Family Zones

- 1) A landscaping plan is required and no landscaping work shall be commenced unless the landscaping plan is approved by the Development Officer or Council.

42.2 Landscaping for Parking and Storage Areas

- 1) A parking area having eight or more parking spaces and which is visible from an abutting site in a Residential Zone shall be fenced or have a screen planting. The location, length, thickness and height of such fence or screen planting shall be in accordance with the landscaping plan.

- 2) A garbage collection area, including metal garbage storage bins, open storage areas, or outdoor service areas, which are visible from an abutting site in a Residential Zoning Zone, or from a public roadway including a lane, shall be fenced or have a screen planting. The location, length, thickness and height of such fence or screen planting shall be in accordance with the landscaping plan. Such fence or screen planting shall be maintained to provide effective screening from the ground to a height of 6 ft.

Figure 12.
Refuse Storage Area

- 3) In the case of bulk outdoor storage, including but not limited to lumber yards and similar uses, where because of height of materials stored, a screen planting would not be sufficient, a fence, earth berm or combination thereof, with sufficient height to substantially block the view, shall be substituted for the regulation provided in Section 42.2(2).

43.0 Moving of Structures

- 1) No person shall move any structure or part thereof off his/her property to any other location unless that structure or part is made to conform to the provisions of this By-law applicable to the Zone to which it is to be moved.
- 2) Prior to the relocation of any building or structure into, from or within the Town, the Town shall require the owner/applicant/agent enter into a Performance Agreement with the Town. Said performance agreement shall contain conditions the Town deems necessary to protect the public interest, and without limiting the generality of the foregoing such agreement may deal with:
 - a) exterior appearance
 - b) excavation, erection, alteration, relocation, reconstruction, removal, repair, addition, installations, damage to other property
 - c) landscaping features
 - d) a deposit/bond with a dollar value, which in Council's opinion, would cover any necessary outstanding deficiencies, should the owner renege on their contract/agreement. This amount to be fully refunded once all conditions and deficiencies are met as determined by the Development Officer and Council. In all such cases, the Town shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection herewith are being and will be complied with.

44.0 Parking

44.1 Off Street Parking

- 1) When any new development is proposed, including a change of use of existing development, or when any existing development is substantially enlarged or increased in capacity, then provision shall be made for off-street vehicular parking or garage spaces in accordance with the regulations and standards in Table 44.1.1 below.
- 2) Where a proposed use is not listed below, the parking regulation shall be determined by Council which may either determine that the proposed use is similar to one which is listed, or, if that is not the case, the Development Officer shall make his/her own determination as to the regulation.
- 3) Where the parking space regulation is determined by reference to a unit such as the number of bedrooms or seats, floor area, the next higher number shall be required where the calculation results in a fractional number of parking spaces.
- 4) In the case of the multiple use of a site, the Development Officer shall calculate the parking required for each individual use and the total shall be deemed to be the required parking for the site, unless the applicant can demonstrate to the satisfaction of Council through a parking demand study that there is a complementary use of the parking facilities which would warrant a reduction in the parking regulations.

44.2 Spaces and Aisles

- 1) Except as provided below, each required non-residential off-street parking space shall be a minimum of 8.5 ft. in width, and a minimum of 18 ft. in length, exclusive of access drives or aisles, ramps, or columns. Such spaces shall have a vertical clearance of at least 6.5 ft. For parallel parking, the length of the parking spaces which shall be increased to 23 ft., except than an end space with an open end shall be a minimum of 18 ft. For parking spaces other than parallel parking spaces, up to 15% of the required parking spaces may be of a length shorter than that required above, to a minimum of 15 ft.
- 2) Aisles shall be a minimum of 23 ft. wide for 90 degree parking, 18 ft. wide for 60 degree parking, and 12 ft. wide for 45 degree and parallel parking.
- 3) For residential buildings, the required parking spaces shall be wholly provided on the same site as the building. For all other uses, the parking spaces shall be located not more than 328 ft. from the building, unless otherwise approved by Council. Such distance shall be measured along an accessible public roadway from the nearest point of the parking area to the nearest point of the site where the building or use is located.
- 4) Except as otherwise provided for in this By-law, no parking spaces shall be within a required front yard.

Minimum Parking Space Requirements

45.0 Signs

45.1 General

- 1) Notwithstanding Section 25.1, no person shall erect a sign without first obtaining a development permit from the Development Officer and no development permit to erect a sign shall be issued unless all the sign provisions of this By-law have been satisfied.
- 2) Where provisions of this By-law are inconsistent with the regulations respecting signs on or near public highways made or administered by the Manitoba Department of Infrastructure and Transportation, the more restrictive regulations shall apply.
- 3) No flashing signs will be permitted within the control areas of the provincial highway system, including control circles at major intersections. Under *The Highway Traffic Act*, no device may be erected upon or in view of a highway that resembles or interferes with the effectiveness of a traffic control device without the approval of the traffic authority.
- 4) Signs are considered accessory uses.
- 5) No sign shall be erected, operated, used or maintained which:
 - a) due to its position, shape, colour, format or illumination obstructs the view of, or may be confused with, an official traffic sign, signal or device, as determined by the Development Officer or Council;
 - b) display lights resembling the flashing lights usually associated with danger or those used by police, fire, ambulance and other emergency vehicles;
 - c) allows a swinging motion;
 - d) is not related to any business upon the site where the sign is located; and
 - e) is located on a public right-of-way or sidewalk, unless otherwise provided herein.

45.2 Abandoned and Unlawful Signs

- 1) Where a Development Officer finds a sign to be abandoned, the Development Officer may, after resolution of Council, by notice in writing or by registered mail, order the registered owner, the person in possession of the land or building or the person responsible for the abandoned sign to remove the sign within twenty days after receipt of the notice, or take such measures as are specified in the notice to alter and refurbish the sign so that it correctly identifies the business, or the products and services offered on the site where the sign is displayed.
- 2) Where a sign contravenes the provisions of this By-law, Council may, by notice in writing, order the owner or the person responsible for the contravening sign to take such measures as are specified in the notice to alter the sign so that it complies with the provision of this By-law, or remove the sign.
- 3) Failure to remove abandoned or unlawful signs, or to comply with the measures specified in the notice by Council, shall result in:
 - a) the issuance of an offense ticket pursuant to this By-law by either the Development Officer or Council; or
 - b) the removal of the sign by the Town of Winnipeg Beach with the owner or the person responsible for the contravening sign assuming liability for all removal costs.

45.3 Sign Regulations

- 1) Quality, aesthetic character, and finishing of sign construction shall be to the satisfaction of the Development Officer or Council.
- 2) No signs shall be erected in a Residential Zone except those expressly provided for in this Section.
- 3) Fascia signs shall not have letters over 2 ft. high and which exceed 80% of the building width.
- 4) Freestanding signs are limited to no more than one per site, except on a corner site or through lot. The Development Officer or Council may allow more than one freestanding sign if warranted by the circumstances.
- 5) Where the architectural design and appearance of a building facade for a multiple business occupancy are uniform, signs or individual businesses located on the same facade shall be similar as to proportion, materials, and placement such that they present a pleasing architectural appearance.
- 6) No canopy sign shall be erected over a public thoroughfare which:
 - a) extends horizontally beyond a line drawn perpendicularly distant to and 2 ft. in from the line of the curb;
 - b) extends more than 6.5 ft. over the public thoroughfare;
 - c) is less than 10 ft. above the public thoroughfare measured from the lowest portion of such canopy;
 - d) is supported on posts or by braces, brackets or supports on or extending over a public thoroughfare except where the braces, brackets or supports are hidden from view and above the height of the roofline of the canopy; and
 - e) is constructed in such a manner that drainage from the canopy falls on any public thoroughfare.
- 7) No awning sign shall be erected over a public thoroughfare that:
 - a) extends more than 6.5 ft. over the public thoroughfare;
 - b) is less than 8 ft. above the public thoroughfare measured from the lowest portion of the awning including any fringe thereupon; or
 - c) is supported by pillars or posts or by braces, brackets or supports on or extending over such public thoroughfare except where the braces, brackets or supports are hidden and above the height of the roofline of the awning.
- 8) Signs shall be developed in accordance with the following regulations:
 - a) where a lot is occupied by more than one business (i.e. multiple occupancy), each business shall be considered as a separate business; and
 - b) signs shall be developed in accordance with Table 45.3.1 below.
- 9) Notwithstanding anything elsewhere contained in this By-law, the following regulations shall apply to Portable Signs:
 - a) portable signs are only allowed in Commercial, Industrial and Community Service Zones;
 - b) the maximum sign surface area of a portable sign is 50 sq. ft.;
 - c) there shall be no more than one portable sign per site, except that for a site with multiple occupancy there can be a maximum of two portable signs. Where there is more than one portable sign, the signs shall be a minimum of 65 ft. apart;
 - d) a portable sign shall comply with the yard regulations of the Zone in which it is located;

- e) any flashing or scintillating portable signs shall not be located within 200 ft. of a Residential Zone boundary;
 - f) no portable sign shall be placed in such a way that it may interfere with, obstruct the view of, or be confused with a authorized traffic signal, warning sign of other regulatory or informational device, and in no circumstances shall it be located with 10 ft. from the nearest part of any exit or entrance driveway;
 - g) the maximum height of a portable sign shall be 10 ft. measured from grade to the highest part of the sign;
- 10) Notwithstanding anything elsewhere contained in this By-law, the following regulations shall apply to a Temporary Sign that provides information dealing with a land development project:
- a) the maximum sign surface area is 150 sq. ft.;
 - b) the sign shall comply with the yard regulations of the Zone in which it is located;
 - c) the sign shall be placed in such a way that it will not interfere with, obstruct the view of, or be confused with an authorized traffic signal, warning sign or other regulatory or informational device, and in no circumstances shall it be located with 10 ft. from the nearest part of any exit or entrance driveway;
 - d) the sign shall be removed within 30 days of the last sale of any lots or buildings or at the discretion of the Development Officer.
- 11) Notwithstanding anything elsewhere contained in this By-law, the following regulations shall apply to a Folding or Sandwich Board Temporary Sign:
- a) the maximum sign surface area is 25 sq. ft.;
 - b) the sign may be placed in a public right-of-way or sidewalk provided that it is placed adjacent to or in front of the related business and an unobstructed pathway measuring a minimum of 5 feet in width is maintained at all times;
 - c) the sign shall be placed in such a way that it will not interfere with, obstruct the view of, or be confused with an authorized traffic signal, warning sign or other regulatory or informational device, and in no circumstances shall it be located within 10 feet from the nearest part of any exit or entrance driveway; and
 - d) there shall be a maximum of one folding (i.e. sandwich board) sign per business.

46.0 Off Street Loading

- 1) When any new development is proposed including a change of use of existing development, or when any existing development is substantially enlarged or increased in capacity, off-street vehicular loading and unloading spaces shall be provided in accordance with the following:
 - a) any commercial development excluding Professional, Financial and Office Support Services:
 - i) one space required for less than 5,005 sq. ft., two spaces for 5,005 sq. ft. to 16,146 sq. ft. and one space for each additional 24,757 sq. ft.
 - b) any Professional, Financial and Support Service development, as well as any development within the Industrial Use Classes, Basic Service Use Classes, or Community, Educational, Recreational, and Cultural Service Use Classes:
 - i) one space required for up to 30,139 sq. ft. and one additional space up to a maximum of five for each additional 39,139 sq. ft.
- 2) All loading and unloading spaces shall be located on the site so that all materials and commodities loaded or unloaded can be easily collected or distributed within the site, to and from all tenants or occupants. Access shall be so arranged that no backing or tuning movements of vehicles going to or from the site causes interference with traffic on the adjoining or abutting public roadways, lanes, sidewalks, or boulevards.
- 3) Loading and unloading spaces shall be of adequate size and with adequate access, both to the satisfaction of the Development Officer, to accommodate the types of vehicles which will be loading and unloading, without those vehicles projecting into a public roadway. In no case shall the space be less than 301 sq. ft., or less than 8.5 ft. wide, or have less than 12 ft. overhead clearance.

47.0 General Performance Standards

47.1 Applicability

- 1) Any development or site used for any Permitted or Conditional Use shall comply with the performance standards of this Section. Where a use may not comply with the performance standards of this Section, the Development Officer may require that the applicant submit a statement from a qualified and registered Professional Engineer of Manitoba certifying that the proposed use can meet the performance standards of the appropriate Zone.

47.2 Performance Standards for Industrial Developments

- 1) No operations or activity in any Industrial Zone shall emit air and water contaminants in excess of the standards prescribed by the Province of Manitoba pursuant to the *Manitoba Environment Act* and the regulations pertaining thereto.
- 2) No activity or operation in an Industrial Zone shall cause, or permit to be caused, a noise level at or inside the boundary line of a Residential Zone which exceeds the regulations of the Province of Manitoba pursuant to the *Manitoba Environment Act* and regulations pertaining thereto.
- 3) Any use or activity in the MB: Industrial Business Zone shall comply with the following appearance standards:
 - a) all loading, service, trash collection and accessory storage areas, and trucking yards shall be located to the rear or sides of the principal building, and shall be

- screened from view from any public roadway and from adjacent sites, by building walls, landscape materials, berms, fences or a combination of these;
- b) the Development Officer may require that exposed projections outside the building such as mechanical and electrical equipment, transformer ducts, and materials handling equipment be screened from view from any public roadway, or from adjacent sites if such projections are inconsistent with the character and appearance of surrounding development or the intended visual qualities of this Zone;
 - c) all buildings shall be constructed and finished with durable materials designed to maintain the initial appearance of the development throughout the life of the project. The Development Officer may require that the appearance of metal or concrete block walls exposed to public view from beyond the site be improved where such walls are inconsistent with the finishing materials or appearance characteristic of surrounding development.

47.3 General Performance Standards for Non-Industrial Developments

- 1) In all non-industrial development, the design, use of exterior finishing materials and construction shall be to the satisfaction of the Development Officer or Council who shall ensure, as far as is reasonably practicable, that materials will be used which ensure that the standard of the buildings will be similar to, or better than, the standard of surrounding development. The Development Officer or Council may require that the appearance of walls exposed to public view from beyond the site be improved where the appearance of such walls is inconsistent with the finishing standards of surrounding development.

48.0 Development Restricted

48.1 Restricted Lot Occupancy

- 1) Unless specifically permitted in a Zone, no more than one dwelling unit is permitted on a lot.

48.2 Existing Uses Listed as Conditional Uses

- 1) Any use that legally existed prior to the adoption of this By-law, and is now listed as a Conditional Use, shall for the purposes of this By-law, be considered as a legally existing Conditional Use.

48.3 Noxious or Offensive Uses

- 1) Notwithstanding anything contained herein, no use shall be permitted in any Zone which may be offensive or objectionable unless satisfactory measures are undertaken to mitigate or eliminate such effects.

48.4 Land Unsuitable for Development

- 1) Notwithstanding the provisions contained in this By-law, the Development Officer or Council may prohibit or restrict the development of an area of land for a use permitted in a Zone if the area has been identified either by Council or other agencies as being subject to flooding, erosion, bank instability, landslide, subsidence, marshy or unstable,

or otherwise hazardous or unsuitable for the proposed development and use by virtue of its soil or topography.

48.5 Multiple Uses

- 1) Where any land, building or structure is used for more than one purpose, all provisions of the By-law relating to each use shall apply. Where there is a conflict such as in the case of site area and frontage regulations, the more restrictive regulations shall prevail, except as otherwise approved by Council.

48.6 Side Yard Exceptions

- 1) For the purpose of side yard regulations, the following dwellings that have common party walls shall be considered as one building occupying one site: Multiple Family, Semi-Detached, Two Family, Townhouse or Rows. Side yard regulations shall not apply along the common party walls.

49.0 Streets

49.1 Future Road Allowance Deemed Existing

- 1) No building or structure shall be erected upon any land designated for a future road allowance by Council. Any development adjacent to said future road allowance shall comply with the regulations of the By-law as if the said future road allowance was already in existence.

50.0 Non-Commercial Farms

- 1) Non-commercial farms are not permitted in the Town of Winnipeg Beach.

51.0 Applicability

- 1) The Special Land Use Regulations apply to the uses listed irrespective of the Zone in which they are located. Where these Regulations appear to be in conflict with the Zone regulations in which the use is either a Permitted or a Conditional use, the Special Land Use Regulations shall take precedence and shall be applied in addition to the regulations in the Zone.

52.0 Home Occupations

A Home Occupation shall comply with the following regulations:

- 1) The home occupation shall not include social escort services, automotive service uses and tow-truck operations.
- 2) There shall be no outdoor business activity, or storage of material or equipment associated with the home occupation.
- 3) The home occupation shall not generate pedestrian or vehicular traffic, or parking, in excess of that which is characteristic of the Zone in which it is located.
- 4) The home occupation is carried on solely by the members of the family residing at the same dwelling unit without the employment of other persons.
- 5) Any exterior display or advertisement for the home occupation must be approved by the Development Officer. The home occupation may have one identification sign not exceeding 4.0 sq. ft. in area, indicating the name of the occupant and/or home occupation of the occupant provided the sign is attached to and parallel with the wall of the principal or accessory building.
- 6) There shall be no mechanical or electrical equipment used which creates noise, or visible and audible interference in radio or television reception in adjacent Dwellings.
- 7) The home occupation shall be operated as a secondary use only, and shall not change the principal character or external appearance of the Dwelling involved.
- 8) A home occupation within a dwelling unit or accessory building shall not exceed a maximum floor area of 400 sq. ft.
- 9) The home occupation shall not be permitted if such use would be more appropriately located in a Commercial or Industrial Zone having regard for, among other matters, potential traffic generation and potential interference with the residential character of the area.
- 10) In addition to the information regulations of this By-law, each conditional use application for a development permit for the home occupation shall include a description of the office use to be undertaken at the premise and an indication of where any materials, equipment or vehicles associated with the office use are to be stored.
- 11) An approved conditional use for a home occupation is not transferable to a new home owner.
- 12) If the home occupation is used for instructional classes, there shall not be more than six pupils at a time.

53.0 Child Care Services

A Child Care Service shall meet Provincial Government regulations and comply with the following regulations:

- 1) The number of children within a Child Care Service established as a secondary use within a Dwelling shall not exceed eight (8).
- 2) A Child Care Service shall not be a principal use of a building within Residential Zones.
- 3) Council shall, in deciding whether to approve or refuse a Child Care Service which is a Conditional Use when in a Residential Zone, consider among other matters, if the development would be suitable for the location proposed, taking into account, among other matters, potential traffic generation, proximity to park or other open or recreation areas, isolation of the proposed site from other residential uses, buffering or other techniques designed to limit any interference with other uses or the peaceful enjoyment of their properties by nearby residents, and consistency in terms of intensity of use with other development in the area.

54.0 Bed and Breakfast Homes

A Bed and Breakfast Home shall comply with the following regulations:

- 1) There shall be no exterior display or advertisement larger than 8 sq. ft. in area, provided that no sign shall be illuminated and any sign must be compatible with the residential character of the area.
- 2) The Bed and Breakfast Home shall not generate vehicular traffic or parking that is in excess of what is normally characteristic of the area.
- 3) The Bed and Breakfast Home shall be operated by a live-in owner as a secondary use only, have a maximum of eight accommodation units, and shall not change the principal residential character or external appearance of the dwelling.
- 4) Guest stays are limited to less than seven days.
- 5) Meals shall be limited to the occupants of the dwelling and resident guests with no cooking facilities allowed in guest rooms.
- 6) Catering to social functions is not permitted.
- 7) In addition to the parking regulations for the primary use, one additional on-site parking space shall be provided for each accommodation unit.

55.0 Private and Semi-Private Swimming Pools and Hot Tubs

Private and semi-private pools and hot tubs shall meet Provincial Government regulations and comply with the following regulations:

- 1) Shall be considered as being accessory to a Permitted Use and shall be developed in accordance with Section 38.0 of this By-law.
- 2) Shall not be located closer than 5 ft. to any side or rear lot line, nor shall they be constructed beyond the foremost portion or portions of the principal building on the site.
- 3) Shall meet all minimum safety requirements as set out by the Manitoba Building Code, which include but are not limited to: fencing, self closing gates, etc.

56.0 Guest House

A Guest House shall comply with the following regulations:

- 1) It shall comply with all site regulations applicable to the zone in which the Single-Family Dwelling is located;
- 2) The maximum building area allowed is 320 sq. ft.;
- 3) It shall only provide secondary and incidental accommodation for family members and guests of the occupants of the Single-Family Dwelling;
- 4) It is not intended for exclusive occupancy by a family living independent from the occupants of the Single-Family Dwelling;
- 5) It is not to be rented separately from Single-Family Dwelling;
- (BL 14-2015) 6) It is not allowed to contain cooking facilities; and
- 7) It is not allowed to be served by utilities that are independent of the Single-Family Dwelling.

Council may impose additional conditions on the development or use of a Guest House deemed necessary to protect adjoining properties and the public welfare. The Town of Winnipeg Beach has the right to inspect Guest Houses.
